

Refer a Friend Rebate - Terms & Conditions

How it Works

1. **Refer a Friend** - Tell your friends, family, or neighbors about Gouge Quality Roofing.
 1. **Note:** Referrals must be submitted prior to a Gouge Quality Roofing representative contacting the property owner.
2. **They Complete a Project** - If your referral signs a contract for a full roof replacement or complete siding installation (house or detached garage), they're eligible.
3. **You Get Paid** - Once their project is finished, paid in full, and closed out, we'll mail you a \$250 rebate check within 30 days.

Program Guidelines

- Anyone can refer - you don't have to be a Gouge Quality Roofing customer.
- Projects must be full roof replacements or complete siding installations (shingle, standing seam, or siding).
- Repairs, partial replacements, small structures, or Christmas light installations do not qualify.
- Self-referrals and employee referrals are not eligible.
- This rebate cannot be combined with other promotions or exchanged for cash.
- Gouge Quality Roofing may change or end the program at any time without notice.
- Any tax obligations are the responsibility of the rebate recipient.

Start Referring Today!

Your referrals mean the world to us. Thank you for trusting Gouge Quality Roofing to protect homes and families in our community.
